

How to find us

- PIC photographic imaging college is on the campus of Hawthorn Secondary College, corner of Tooronga Rd and Burgess St East Hawthorn.
- We're around the back of Hawthorn Secondary College in grey portables between the basketball courts and Hawthorn Secondary College.
- You can park out the front of the Hawthorn Secondary College gym on the basketball courts and entry is via the driveway off Tooronga Rd. If you park here walk up the stairs next to the gym and go left at the top of the stairs. You should start to see PIC signs.
- If you park anywhere else in the area (be aware of parking restrictions) head to the reception area of Hawthorn Secondary College and walk around to the left of that building and walk in between the gym and Hawthorn Secondary College.
- You should start seeing signs to direct you to PIC.
- Walk through a big blue gate. Keep walking around down through the courtyard, go up a few stairs and walk through the bright orange doors. Reception area is just to the right.
